Technical specifications

Materials

Shade: Spun steel. Injection moulded zinc base.

Stem: Polished brass.

Switch: Polished brass on lamp base.

Finishes

White wet painted outside and pale rose powder coated inner side. Polished brass, untreated.

Mounting

White fabric cord with plug. Cable length: 7 ft. Light control: Switch on lamp stand. For mounting instructions, see download section on the product detail page.

Information

Please note that the brass surface is untreated. This means that the surface will change over time and develop a patina. For the E-socket product variants, bulbs are not included. LED light source is part of the product.

Variant Options

For particular variant options, please check our online Product Variants Configurator on the product detail page.
