# PH 4/3 TABLE LAMP

The fixture is designed based on the principle of a reflective three-shade system, which directs the light downwards. The shades are made of metal and painted white to ensure diffused, comfortable light distribution.

Poul Henningsen

Poul Henningsen was born in Copenhagen by the famous Danish writer Agnes Henningsen. He never graduated as an architect, but studied at The Technical School at Frederiksberg, Denmark from 1911-14, and then at Technical College in Copenhagen from 1914-17.
