

# PH 5

PH 5 - 5741099812

The fixture provides a comfortable, glare-free light, based on the principle of Poul Henningsen's reflective three-shade system, which directs the majority of the light downwards. It emits a lateral light as well as illuminating itself, providing a soft radiance from within its core. The lower shade is furthermore fitted with a frosted diffuser glass to ensure that the downward directed light is 100% glare-free.

## Poul Henningsen

The very influential Danish designer, architect, writer, and cultural critic, Poul Henningsen (1894-1967), has had a huge impact on Danish thinking and design. His legacy is an integrated part of Louis Poulsen's endeavor to shape light.

## Product info

### Environmental Product Specification

This product is compliant with the requirements contained in the European Directives, RoHS Directive 2011/65 and 2015/863. This product is designed so that 100% of the product can be disassembled and reused.

### Mounting

3 m. Textile cord.<br> Canopy included.

### Finish

Powder coated: White Classic, White Modern and Metal finishes.<br> Wet painted: Monochromes, Pastels and Hues Of finishes.

### Materials

Shades and anti-glare disc: Spun copper, brass, or aluminium. <br> Lower shade: Spun steel. <br> Spacers: Rolled aluminium. <br> Diffuser: Frosted glass.

### Sizes and weights

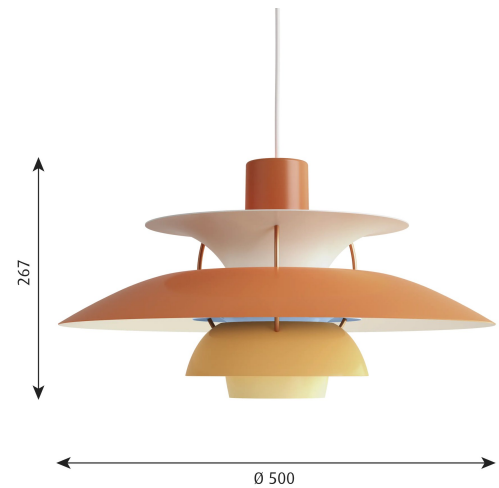

width x Height x Length (mm) | 500 x 267 x 500 Max 7.7 kg

### Class

Ingress protection IP20. Electric shock protection II w/o ground.

### Light source

1x75W E27
