YUH TABLE LAMP

Yuh Table Lamp - 5744162665

The fixture primarily provides glare-free downward directed light. The angle of the shade can be adjusted to optimize light distribution. A slim opening in the top of the shade provides soft, ambient upward illumination. A mechanical system provides great freedom of movement, so the light can always be set in the ideal position in the workspace, living room etc. Build-in LED technology provides a high quality of light with stepless dimming at 15 to 100%. Timer function to automatically turn off the light after amount of time, selectable between off/4 hours/8 hours. Function to set a fixed light level each time the lamp is connected to main power. In the upper part of the tube a button acts as switch and dimmer.

GamFratesi

GamFratesi's design take their creative drive from a fusion of tradition and innovation in an experimental approach to their chosen materials and techniques. Each with their own traditional background, Stine Gam and Enrico Fratesi draw on classic Danish furniture and craftsmanship as well as a classic Italian intellectual and conceptual approach.
