## Technical specifications

### Materials

Mouth-blown four-layered pale rose coloured glass with a white sandblasted underside. Glossy on the outside, sandblasted on the inside. Brass, brushed and untreated with fine hairlines.

### Finishes

Brushed untreated brass with fine hairlines. Pale rose coloured glass with white innerside.

### Mounting

White textile cord.

Cord length: 10'.

Through-switch. For mounting instructions, see download section on the product detail page.

### Information

Please note that the brass is untreated. This means that the surface will change over time and develop a patina if left unpolished. For the E-socket product variants, bulbs are not included. LED light source is part of the product.
